ABOUT US

IALM was formed under IALM educational trust at Kochi, with one aim of delivering world class training for shipping, logistics, air cargo and supply chain management. The academy is backed up by an expert team of logistics professionals who have been working in logistics, shipping, airlines, freight forwarding, management and communication, warehousing, container freight station handling, retail and hypermarket segments and international trade export import companies for well over fifteen years and now active as trainers shaping professionals during the past decade. In short, international academy of logistics is a cutting edge finishing school for logistics students and aspiring logistics professionals.

VISION

IALM's vision is to be a Global leader in providing excellent learning opportunities and skill empowerment, resulting from a dynamic and industry based learning process, to anyone who aspires for career success and excellence.

MISSION

IALM is committed to provide quality skill impartation and training with excellent domain knowledge in the field of logistics, shipping, air freight, retailing, freight forwarding and import export trade for aspiring candidates globally through modern methodologies.

OUR VALUES

We believe that trust and respect are essential for team work,
We are committed to a high standard of integrity and honesty,
We aim for a win - win situation in all our dealings and We earn
by fair means and believe in fairness and transparency in everything.

WELCOME MESSAGE

Onassis Lazar
Founder and CEO

A very warm welcome to IALM Institute. As a prospective student, you may face multi-faceted challenges. A key question that typically races through one's mind is, "Where can I secure relevant, reliable and professional skill development?"

We are fully conscious of the immense responsibilities placed on us and we will do our utmost to build on the rich legacy and solid reputation to provide quality services.

WHO WE ARE

We are a Private Education Institution that has established itself as a credible and astute service provider with sound governance and financial standing. Our team of dedicated lecturers are subject matter experts in both industry practices and didactic approaches to meet your learning needs.

QUALITY POLICY

We, at IALM Institute are fully committed to providing high quality, cost effective and relevant education and training courses for our students and industry.

At IALM, quality is everyone's responsibility. We take pride in our work and emphasise on problem prevention rather than correction. We are committed to comply with the requirements of our clients, and to continually improve our service quality based on feedback and established benchmarks. IALM adopts a comprehensive Quality Management System (QMS). All IALM staff must comply with the QMS and strive to continuously improve our quality processes in the most competitive and effective manner.

OUR CAMPUS

IALM Institute occupies an area of more than 5,000 sq ft and is located in the city area which is accessible by various means of transportation. All our classrooms, workshops and resource room are wireless surf-zone, students can surf the internet through computer stations, own laptops or smart phones anywhere in the institute.
